Crowne Plaza Suzhou, 168 Xinggang Street, Suzhou Industrial Park

Gleason Gear Technology (Suzhou) Co., Ltd.

Total Gear Solutions

Gleason

You are cordially invited

to join Gleason's special event to learn about design, manufacturing and inspection of e-drive gears.
The two day event addresses the specific requirements and challenges of e-drive transmission manufacture,
with particular attention to minimizing gear noise.

The e-Drive Days are the perfect experience for newcomers and experts alike, showcasing latest developments in design,
simulation, cutting and hard finishing, suitable inspection and analysis tools to achieve most efficient and quiet gears,
as well as new developments of local machines and tooling.

We look forward to welcoming you.
