Total Gear Solutions

**Gleason**

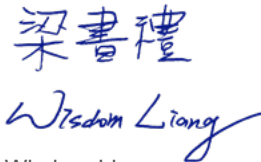

**You are cordially invited**  
to visit Booth S0118 in Hall 2, 4F  
at TIMTOS 2023 at Nangang Exhibition Center, Taipei, Taiwan.

See the latest in design, manufacture and inspection of gears and meet Gleason's gear technology experts to discuss your specific applications in person. Highlights include KISSsoft gear and transmission design software, hard gear finishing with integrated in-process gear inspection or stand-alone gear inspection at nano level, ideally suited for the manufacture of quiet e-drive transmissions, complemented by smart tooling systems which will bring added value to your daily manufacturing life.

We look forward to welcoming you.
