January 19-25, 2023  
Booth B103, Hall 4

Total Gear Solutions

**Gleason**

**You are cordially invited**

to visit the Gleason Booth B103 in Hall 4 at IMTEX 2023 at Bengaluru International Exhibition Centre, Bangalore, India.

See the latest in design, manufacture and inspection of gears and meet Gleason's gear technology experts to discuss your specific applications in person. Highlights include KISSsoft design and simulation software, the new Gleason Hobbing and Shaving Machines made in India, hard gear finishing with integrated in-process gear inspection or stand-alone gear inspection at nano level, ideally suited for the manufacture of quiet e-drive transmissions, complemented by smart tooling systems which will bring added value to your daily manufacturing life.

We look forward to welcoming you in person.
